

# Africa

---

- Pray for the persecuted church—many believers are persecuted and some are even killed for their faith in Jesus Christ. We should pray that the Lord will strengthen the believers who live and worship in communities that persecute the church. Pray that the believers will be strengthened by the Lord and will have divine wisdom and grace as they advance God’s kingdom.
- Pray for a unified vision to intensify the multiplication of disciples and churches in the Africa Region, with a goal to reach membership of one million by the year 2020. Pray that every district in Africa will accomplish rapid reproduction of disciples and local churches through saturation evangelism and the intentional multiplication of churches using reproducible methodologies.
- Pray that the churches will achieve rapid incorporation of new believers through dynamic Christian, compassionate, missional fellowship, training them to be mission-focused and strategy-centered in their ministry practices.
- Pray that we will achieve rapid reproduction and development of church leaders for Africa (lay and clergy).
- Pray that every Nazarene home will be a “nursery” for holiness champions.

## Spiritual Breakthrough:

- For spiritual breakthrough and outpouring of God’s Spirit that will bring increased unity, growth, and fruitfulness. Pray specifically for district leadership across the region and in

team family relationships (particularly with missionary kids). Pray for communication within the team in shared ministry with national leaders, local churches, and districts to strengthen long-term fruitfulness despite difficult situations (such as health decisions, retirements, shortage of laborers, and persecution). Together we will teach and disciple (with church planting) the next generation of leaders with joy!

### Meso Central Field

- Pray for leadership in the Meso Central Field, especially the Dominican Republic. René Acosta died in the month of October; he served as coordinator of ministries in that country.

- Last year the Church of the Nazarene was inaugurated in Guangandi (Region Kunayala) in Panama. Pray for the pastor and the congregation at that location.

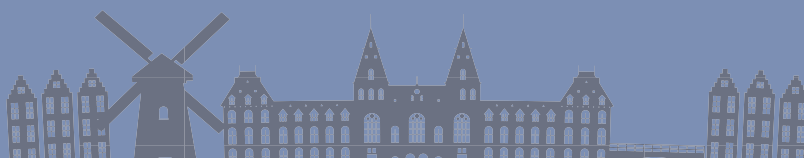

### Caribbean Field

- In September last year, the Church of the Nazarene was legally registered on the island of Curacao. We thank God for the Brash family, volunteer missionaries, who supported the planting of the church, which is being shepherded by Jonathan and Lisette Petrus.
